

Think SDGs through CLIL CLILでSDGsを考えよう

Date & time Sunday, December 8th, 1pm to 5pm
Place Tohoku University, Kawauchi Campus Bld. A Room A202
Participants 30 primary & secondary students (ages 8 to 13) (can be attended by parent), educators
Participation fees Free (children), 1000円 (adults)
Volunteers University students including international students
Activities Learn and think about **SDG 6 Clean water and sanitation** in English and Japanese
Hosted by CLIL Institute for Teacher Education (CLIL-ite), Japan CLIL Pedagogy Association (J-CLIL)
Co-hosted by Tohoku University & Innocence Plus **Application → [Google form](#)**

英語と日本語を使ってコミュニケーションしましょう。 *Let's communicate the SDGs using English and Japanese? Do you drink tap water? 水道の水飲みますか? Do you buy a plastic bottle of water? ペットボトルの水買いますか? Do you take a bath or a shower? 風呂ですか? シャワーですか? How much water do you use when going to the bathroom? トイレでどのくらい水を使いますか? Is water in Sendai clean and safe? 仙台の水はきれいで安全ですか?*

... **We will make a poster in English.**

Think SDGs through CLIL **CLILでSDGsを考えよう**

Content activities

- CLIL is integrated learning of content and language born in Europe.
- In the activities, you learn using English and Japanese based on CLIL principles.
- The theme is water in the SDGs. Participants think about and discuss the issues of water in English and Japanese.
- University students including international students support their learning.
- Learning materials are almost all in English.
- If you have any questions, you will ask each other and solve them through communicating with each other in English and Japanese.
- The assignment is to create a poster about the issues of water in English.
