2

Come on, you're getting through childhood bully free?

Yup.

That's amazing.

You're so lucky.

Yeah, they know not to mess with me, cuz I'll tell on you!

Have you ever been bullied?

Uhhhh, yeah.

There has been a time.

My whole life is a bully.

3

One time I went skiing in a class, **and these people they called me mean words.**

You don't have to say the mean words.

Yeah, good.

He'd always be **like**, "You're the short little girl in the class." Because you know I'm not the tallest.

Sure.

And he'd **call me short stack of pancakes.**

[Laughs] Ha, ha, ha!

4

So what are you **gonna** do?
I m **gonna** tell my parents.
Yeah! What are they **gonna** do?
They re **gonna** cry to their mommy.

I was **like** 6, I thought, "Okay I gotta be mean **back**."
So I bit him. He left the school.

Wow, **he left?**

Yes.

I m sorry for laughing at him calling you a short stack of pancakes.
[Laughs] **That's okay.**

5

Why do you think people do that? Ummm. Cuz...hmmmm.

I think it s because I m **different**.

I think they re **jealous** sometimes.

Bullies are bullies because they were hurt too.

So then hurt people hurt people, **right?**

Cuz they feel bad about themselves.

Wow, interesting.

Deep.

I think maybe things are **tough** at home.

Or maybe they re in a fight with their brothers **or something**.

It makes them feel better than them if they see what s wrong with the other person.

6

What do you think we could do to prevent bullying?

Do not engage.

Tell the teacher.

Tell **like** an adult about it.

Ignore them, they re only trying to get a reaction out of you.

There s also one bully at school **who says**, "**Get a life.**" I'm like, "**I already have one.**"

Totally.

"And I don t care what you say."

And then just keep saying it and then I just...

Walk away.

7

What makes you different?

Ummm, my glasses, my personality, my sense of humour, **the way I do stuff.**

You know everything.

I think it makes you you, -and I like it.

Thanks.

8

You've never made a snowman in your life?

I've made **half of** a snowman, but kids broke it.

How old are you?

9

Oh my gosh, we gotta, **we gotta** make you a snowman one day.

It's too **hard**.

Unbelievable.
